(U//~~FOUO~~) (Analyst comment. ACT! for America is a national group with various local chapters, and is referenced by the Southern Poverty Law Center and the Anti-Defamation League as an anti-Muslim group founded in 2007 by Brigitte Gabriel, aka Hanah Kahwag. The group has gained media attention in the past for making controversial anti-Muslim statements.)

(U//~~FOUO~~) [REDACTED] informed writer that the group planned to host a private unpublicized event on 06/17/2015 at 7pm at the Crown Uptown Theatre, 3207 E. Douglas Ave, Wichita, Kansas. The guest speaker was to be Ryan Mauro of the Clarion Project. Mauro planned to speak on the topic of jihad in Kansas and the Midwest.

(U//~~FOUO~~) [REDACTED] provided a bio on Mauro that indicated Mauro was the National Security Analyst for the Clarion Project, an organization that studies Islamic extremism. Mauro had made over 1000 appearances on TV and radio, and was a counter-terrorism consultant to government agencies. The bio also indicated Mauro and the Clarion Project's work had been condemned by the Iranian regime, the Muslim Brotherhood in Egypt, and ISIS members.

(U//~~FOUO~~) [REDACTED] also informed the group planned to host monthly private unpublicized events and that an event was scheduled for 07/17/2014 at the Crown Uptown Theatre at 7pm. The guest speakers were to be Peggy Mast, from Emporia, Kansas, and Christopher Holton (NFI).

(U//~~FOUO~~) On 11/18/2015, as part of a liaison effort, writer received information from [REDACTED] ACT! for America, Wichita Chapter, concerning a private unpublicized meeting the group planned on 12/08/2015 at 7pm, at the Uptown Crown Theater, 3207 E. Douglas Ave, Wichita, KS. The guest speaker is scheduled to be John Guandolo.

(U//~~FOUO~~) The liaison effort is part of an initiative to address potential threats to local events that could potentially be targeted by Homegrown Violent Extremists (HVE).

(U//~~FOUO~~) [REDACTED] provided the following background information on Guandolo:

(U) Guandolo is the founder of Understanding the Threat, an organization dedicated to providing strategic and operational threat-focused consultation, education, and training for federal, state and local leadership and agencies, and designing strategies at all levels of the community to defeat the enemy. He is a 1989 graduate of the U.S. Naval Academy who took a commission as an Officer in the United States Marine Corps. He served as an Infantry Platoon Commander in combat Operations Desert Shield/Storm. During his time in the Marines, he also deployed to the Adriatic/Bosnia. In 1996, he resigned his commission in the Marine Corps and joined the Federal Bureau of Investigation (FBI), serving at the Washington Field Office. the Department of Defense.

(U) Currently, Mr. Guandolo advises governments - U.S. and others - on matters related to National Security, specifically the threat from the Global Islamic Movement. He actively briefs and teaches members of Congress, senior military officials, law enforcement, the intelligence community, key community leaders, and others. He also served as an adjunct instructor at the Joint Forces Staff College and instructed at the U.S. Army War College. In 2014, John was inducted into the International Who's Who for his work in the field of national security.

(U) John is the co-author of Shariah - The Threat to America, the first comprehensive book on the enemy threat doctrine, and the author of Raising a Jihadi Generation (September 2013) which details the Muslim Brotherhood's jihadi support network inside the United States. John frequently appears on television and radio, and regularly publishes articles related to these matters in a number of media outlets. His website is www.UnderstandingtheThreat.com.

(U//~~FOUO~~) Open source queries indicate Guandolo is a former FBI agent who was dismissed from the FBI for ethical and bizarre conduct. Guandolo currently works closely with influential anti-Muslim groups in the U.S, and also provides training for law enforcement.¹

(U//~~FOUO~~) In May 2015, the Sedgwick County, Kansas, Sheriff's Office cancelled a training session they were scheduled to receive from Guandolo's group, Understanding the Threat, amid controversy surrounding the group and its training. Guandolo indicated he was disappointed in the decision and that it was made after the Sheriff's Office received pressure from what he claimed were HAMAS and Muslim Brotherhood supporters.²

In one instance an individual named [redacted] wanted to volunteer his services to the Tri-Faith Initiative. [redacted] claimed to be a [redacted]. At one point [redacted] made a statement to [redacted] regarding fundraising which he had not made to anyone else, and shortly thereafter the statement was published in a document by Act For America. 4. What does the Tri-Faith Center consider its greatest threat for safety and what steps, if any, is the Tri-Faith Center taking to mitigate this threat?

In order to mitigate these threats the Tri-Faith Initiative is no longer publishing information about upcoming Interplay events, and is now requiring a two part interview before someone can enroll their children into Interplay.

5. Is the liaison aware of individuals or groups who, although not calling for violence, have been especially vocal in their opposition to the Tri-Faith Center? Is the Tri-Faith Center concerned about these individuals or groups.

Act For America, yes.

6. Are there any individuals or groups that stick out in the liaison's mind as concerning? Why?

No.

7. Has the Tri-Faith Center received any suspicious mailings, telephone calls, or E-mails?

[redacted] received an E-mail where an individual stated that American Muslims needed to stand up for Christians who were being persecuted in the Africa and the Middle East.

8. Has the Tri-Faith Center website experienced any cyber attacks or defacement?

No.

9. When does the liaison expect the building will be completed on the Tri-Faith campus and when will a congregation begin meeting at the building?

The American Institute of Islamic Studies and Culture will be completed approximately 18 months after construction is started. Construction will not start until all of the funds are raised. Currently 60% of the funds have been raised. The leadership primarily consists of Pakistani individuals who were members of the board of the Islamic Center of Omaha, approximately five years ago. The group that will meet at the Tri-Faith Center currently worships at a facility on Gold Street. Additionally, they currently have 77 children enrolled in the religious school that was opened last September.

The Episcopal Diocese of Nebraska will take approximately 18 months to construct their building but do not yet have a start date. [REDACTED] would like to hold three worship services on the site of the new building this summer.

The Tri-Faith Center will take approximately 18 months to complete but construction will not begin on it until the Episcopal Diocese has begun their construction.

10. Request the liaison provide any information they acquire to the FBI regarding any threats received or concerns the Tri-Faith Center may have.

[REDACTED] knew a couple of teachers who went on a trip to Turkey. One teacher was [REDACTED] and another teacher was [REDACTED]. Teachers who went on the trip told [REDACTED] that they received materials from the GULEN INSTITUTE.

[REDACTED] found materials in her inbox at ABRAMSON from the GULEN INSTITUTE related to an essay contest. [REDACTED] was not sure who put the materials in her inbox. The essay contest was sponsored by the GULEN INSTITUTE. [REDACTED] did not have her students participate in the essay contest. [REDACTED] did not have her students participate because it did not make sense to her that her students should participate in an essay contest for the GULEN INSTITUTE. [REDACTED] had a hard enough time getting her students to put forth effort when she was trying to teach what her students were required to learn, she did not think it was worth the effort to force her students to participate in something outside of the required subject matter. [REDACTED] also did not want her students writing for a radical Turkish organization.

[REDACTED] knew who FETULLAH GULEN was when she was provided with the materials from the GULEN INSTITUTE. In the first or second year that [REDACTED] at ABRAMSON, she and the other ABRAMSON staff received two emails about GULEN. [REDACTED] thought the emails were from ACT FOR AMERICA. The emails stated that the GULEN schools were opaque in their purpose. The emails were sent to staff members at several different charter schools throughout the United States and expressed concerns about the Islamic influences and GULEN's intentions with the charter schools. The emails stated that GULEN specifically targeted the minority population. GULEN wanted the minority population to rise up and overthrow Western civilization. When [REDACTED] received these emails, she became aware that [REDACTED] had a connection to COSMOS and the HARMONY SCHOOLS. The emails were sent to several of the staff members at the HARMONY SCHOOLS. It was after [REDACTED] received these that she started researching the GULEN movement.

[REDACTED] provided the interviewing agent with the materials that were given to her by ABRAMSON administration regarding the essay contest. These materials are maintained in the 1A section of the file.

[REDACTED] thought that ABRAMSON also had an affiliation with the ATLAS INTERFAITH FOUNDATION (ATLAS). [REDACTED] noticed that several of the Turkish teachers and the administration were

Chris Gaubatz, Vice President of Understanding the Threat, is a prominent voice working to expose the agenda of The Muslim Brotherhood and Hamas operating within our own country. Mr. Gaubatz posed as an intern for CAIR in both the MD/VA and Washington, DC offices, and was able to expose the lies, cover-ups and overall agenda of CAIR within America. The book, Muslim Mafia, was written about his exposure to the inner-dealings of CAIR.

From Amazon's description of Muslim Mafia:

"This trail of information reveals the seditious and well-funded efforts of the Brotherhood under the nonprofit guise of CAIR to support the international jihad against the U.S. Follow intern Chris Gaubatz as he courageously gains the trust of CAIR's inner sanctum, working undercover as a devoted convert to Islam, and blows the whistle on the entire factory fueling the wave of homegrown terrorism now plaguing America."

Please join us for this special evening!
